

# KALEA BAY FIREPLACE

An outdoor fireplace provides an element of elegance, ambiance and function. Perfect for entertaining or when you desire a place to retreat, relax and reconnect. Available in single sided and see through configurations.

- LIGHT WEIGHT
- CAN BE USED ON DECKS
- NO FOOTINGS
- MODULAR DESIGN
- QUICK INSTALLATION
- MODERN LINEAL APPEARANCE

## VERTICAL PANEL TECHNOLOGY

Vertical Panel Technology is the smart alternative to block and stone masonry. Reinforced concrete panels and easy installation process makes constructing outdoor living spaces quick and affordable. This technology enables you to choose the texture profile and color palette to fit the natural landscape of any backyard or outdoor setting. Reduce material waste and environmental impact, while delivering the highest quality vertical masonry structures.
